

Given the current situation in the country due to COVID-19 Virus, BALLOONING.LT is asking you to act responsibly and to take all possible safety measures in order to ensure that your flight experience with our hot air balloon is memorable and safe for all of us, therefore we ask you to:

	Come with facial protective mask and wear it during the transportation and the entire flight.
Follow the hand hygiene, coughing, sneezing etiquette.	
	On arrival, if applicable, allow the pilot or crew member to measure your body temperature (maximum permissible 37.3 degrees).
Avoid gathering, where possible, keep a safe 1-meter distance from other people.	
	Try NOT TO PAY IN CASH, please pay by bank transfer before the flight or by bank card after the flight
Please disinfect your hands before and after the flight using the provided hygiene product (will be provided by the pilot and team members)	
<p>UNFORTUNATELY SERVICES CANNOT BE PROVIDED: FOR PERSONS WITH ACUTE SYMPTOMS OF UPPER RESPIRATORY DISEASES (FEVER, RUNNY NOSE, COUGH, DIFFICULTY BREATHING).</p> <p>WE WISH YOU SAFE AND PLEASANT FLIGHTS WITH BALLOONING.LT TEAM!</p>
